1. It was noted that the quote to start a website for the township was reasonable in light of the fact that some of the parties charge \$2000.00 or more. Sandy mentioned he would like to get the website going as quick as possible. Bob noted it would be a good idea for the township to get a logo to put on the website and that someone should find out what the yearly maintenance fee would be. Sandy made a motion to contact Gary Larson to set up the website and Mike seconded the motion. When Linea returns, she could possibly check into some of these details.
