

Dear Friends of Anderson Park,

Attached is the August issue of our newsletter. So much has been accomplished in the Park since our last issue. There are new roads and parking areas, an almost-finished picnic shelter, rain gardens, new trails and new benches. Check out the picnic shelter update and beautiful photos of the birds we saw on our annual bird walk. And don't forget to put the park's grand opening on your calendars. It's September 25th from 9 - 2. There will be free family activities for people of all ages.

We hope to see you there!
Lee
